Radio Public Service Announcement #2
"SCHOOL LUNCH" - 0:29 SECONDS

SFX: SCHOOL HALLWAY BETWEEN CLASSES
VENDING MACHINE DISPENSING CANDY BAR

FEMALE STUDENT 1: Oh look, here comes Charlie.

FEMALE STUDENT 2: I wonder what he's going to eat today?

FEMALE STUDENT 1: That's your lunch?

MALE STUDENT: I need to eat something. I didn't have breakfast.
Hey, want to come over later, play that new
video game?

FEMALE STUDENT: Too nice a day to stay inside. A bunch of us are
going roller blading later.

MALE STUDENT: That sounds like fun.

FEMALE STUDENT: You can come with us -- if you think you can
keep up.

MALE STUDENT: What makes you think I can't?

FEMALE STUDENT: No breakfast -- and that lunch? Not exactly fuel
for roller blading.

MALE STUDENT: A sandwich and some fruit would be good right
now.

FEMALE STUDENTS: Lunch. Every day!

ANNOUNCER: Eat smart. Play hard. A message from the U.S.
Department of Agriculture.
